

Actually, we're about 500 bricks shy.
The Campbell County High School Relief

Fund is in the process of creating an Educator Commemorative Wall at Campbell County High School. The wall is being constructed with brick pavers, etched with the names of educators who have made a positive difference in our lives; the name of the school you attended, and your name. The bricks are \$50 and funds generated from this project will go to providing scholarships to deserving students via the Ken Bruce Memorial Scholarship Fund. We need your support now!
